Criteria	Ratings		Pts
Sequential Implementation	20.0 pts Full Marks	0.0 pts No Marks	
Parallel Implementation	40.0 pts Full Marks	0.0 pts No Marks	
3-5 Page Documentation Consists of Description of the problem that is being solved, an overview and highlights of the implementation, description of Dijkstra Algorithm, comparison between serial and parallel implementation, work and latency big oh, applications and improvements.	20.0 pts Full Marks	0.0 pts No Marks	
Style Beautifully written code along with comments.	10.0 pts Full Marks	0.0 pts No Marks	
Readme file Instructions for building and running of the programs, test data that has been used for the serial and parallel version during the tests.	10.0 pts Full Marks	0.0 pts No Marks	
Total Points:	100.0 pts
